Spring Musical and Fundraising

The spring musical is running April 8th, 9th, 10th. To combine and capitalize on the parent support in the school. We are considering a 'Dinner and Show' fundraiser. Send out pre-order forms for tickets as well as food items. Also, considering holding silent auction over the three days. Discussed a possible 5:30 start with food including; pizza, candy etc. Looking to use the cafeteria. As well, we would engage a student council from the drama department to help them with the running. All costs to the drama department would be covered by this fundraiser. Nancy and Trevor will speak to Jane Ono to see that this does not interfere with the running of the productions.
