

semi-rural, natural environment, bordered by parkland, and growth forests and lakes, the surrounding scene typifies the relationship between the residents of Anmore and the natural landscape.

EDUCATION IS NOT THE FILLING OF THE PAIL, BUT, THE LIGHTING OF THE FIRE

02 ELEMENT

The placement of the building takes advantage of the natural surroundings. Visual and audible connections with the adjacent park, encompassing scenery, sloping terrain and open sky were incorporated into the scheme. These links with the natural world will play a critical role in the education of the students.
