SCHOOL PROGRAM GUIDE

2022-2023 SCHOOL YEAR

**There are many ways to engage
with the Burnaby Art Gallery!**

The BAG offers a variety of curriculum-based programs for school groups of all ages. The programs focus on creative thinking and developing new visual skills. Students explore art mediums and processes by engaging in activities inspired by exhibitions or from the City of Burnaby Permanent Art Collection.

IN THE GALLERY

BAG, where artistic creations come to life!

Students are invited on an instructor-led tour through the current exhibition, followed by a hands-on art workshop. Participants learn how to engage with art using hands-on techniques, while developing observational and art-language skills.

Preschool & Kindergarten

ART & ME

October 1, 2022-June 4, 2023
during exhibition dates

This active tour is perfect for busy minds and bodies, introducing the world of art, artists and art galleries. Children learn about simple artistic concepts and are encouraged to express their ideas about the artwork verbally, physically and visually. In the studio, magic happens as kids experiment with creating lift prints.

SPECTRAL VISIONS

October 1-November 1, 2022

This fall, delve into the depths of the City of Burnaby Permanent Art Collection where spirits linger and demons gather. Apparitions as old as time brush up against contemporary anxieties in this expansive exhibition featuring over 30 artists. As the year continues its gradual, but certain, transition to darkness, we shed light on what has made a home there.

DREAM MARROW

November 10, 2022-January 22, 2023

Through diverse material practices, this exhibition explores the generative aspects of dreaming. Hana Amani and Audie Murray, two contemporary artists working across mediums, chart futures brought into being through imaginative collective storytelling.

FOREST FOR THE TREES

Mondays | October 3, 2022-June 19, 2023

Explore the world of landscape-inspired artwork through this engaging program. Using the forms of trees, waterways and mountains, students discuss ideas of landscape and place. Building on these ideas, participants use techniques of layering, colour mixing and collage to create a 'forest' of trees.
