# Alternate Education Programs in SD43

- Alternate education programs focus on educational, social and emotional issues for students whose needs are not being met in a traditional school program.
- Students who attend alternate education programs are often the most vulnerable population in the school system.
- Alternate education programs may serve children and youth in care, those living in poverty, those gifted who have difficulty in social situations, those involved in drugs, and those with mental health concerns.
- Alternate education programs offer an opportunity for these vulnerable and at-risk students to experience success.
- Referral based: Principal to Principal (SD 43 Policy)
- <https://www2.gov.bc.ca/gov/content/education-training/k-12/administration/legislation-policy/public-schools/alternate-education-program>

# Encompass Alternate Education Program Grade 10 to 12

- **Our Program** – Students attend 3-4 times per week for half day sessions

## WORK

Regardless of your career aspirations... if you have/get a paying job in a *trade* you can receive credits toward high school graduation:

- 120 hours working = 4 credits (up to 16 credits)
- 900+ hours worked (by Dec 31 in the school year you turn 19) and you qualify for a \$1,000 scholarship... gave out 30+ scholarships last year
- If you later pursue that trade career, those hours count towards certification
