Principal's Message

Dear Parents and Guardians;

Happy New Year, everyone! We are very excited about this new 2011-12 school year and we know you are, too!

We have a lot of new things planned for the year and a very enthusiastic staff to help your child make the most of it!

We are starting with a very positive Kick-Off week with our focus on Healthy and Active Living. Teachers will be working with rotating family-groups to focus on different aspects of Healthy and Active Living through arts, games, physical activity and Literature. We will finish the week with a presentation by Grupo America on Friday afternoon. We're really excited about the week and I know this will get our Social Responsibility Focus School Goal #2 (Contributing to Classroom and Community) off to a great start.

We will be monitoring enrollment through the week and working on building classes for the students and plan to have them set for the second week.

Welcome back!

Mme Darlene Proulx
