Students planner/agenda will need to be paid for at a cost of \$10.00 by September 17, 2010. The student agenda/planner is a necessary organizational and communication tool that students and teachers use.

PLEASE NOTE: Indoor shoes are required by all students. Some parents in the past have chosen to use gym shoes as inside shoes also. Others have purchased less expensive running shoes for this purpose. Many parents continue to want the student's best shoes to be used as outside shoes. All of these alternatives are acceptable.

*Cash/Cheques are acceptable. Please make cheques payable to Central Community School.
