

*City of Port Moody is excited to offer a hands-on and interactive outdoor, afterschool program **ELEMENtary Explorers** starting September 2011.*

*ELEMENtary Explorers offers children a chance to see just how awesome and beneficial it is to learn in the natural environment while interacting with the outdoor elements around them.*

**Afterschool programs are:**

- Led by experienced, trained, and qualified instructors
- Follow professional lesson plans incorporating **Earth Biology, Ecology, and Botany learning objectives**
- Age appropriate and enjoyed by children
- Help connect children with nature and outdoor play
