Christmas Potluck and Choral: Wednesday, December 7th

Our Christmas concert celebration this year will take the form of a community potluck and choral performance held during school hours, beginning at 11:30am with a potluck luncheon. At 1:00pm, in the same gym location, students will treat us to a choral performance which will end by 2:00pm. We are looking forward to celebrating the season with our community.

As our luncheon is potluck, we are inviting families to contribute their favourite seasonal dish to the occasion. This could be a most delicious Christmas feast! Additionally and in support of our initiatives in environmental education and nature-inspired learning, we are requesting that families arrive with their own reusable dishes and cutlery to eat from. Eating from reusable dishes models for our students that conscious choices can be made to help reduce waste in our environment and helps further the conversation with students at school. Thank you in advance for being a part of the teaching and learning of this important idea to our students.

Urgent Reminder: Parent E Forms – must be completed. If you have not done so, please complete the E Forms available on the website.
