\*\*\*\* Refer to C.M.S.A.A Mission Statement and Guiding Principles \*\*\*\*

- 1) League matches will be played on Wednesday immediately after school. Please make all attempts to be at the host school by 3:20 and be prepared to begin at 3:30 sharp.
- 2) Matches are best 3 out of 5 - Games are to 25 points (rally point - see rule #13 and #15). If the other side is still playing when you are finished, you may play until the other match is complete. In the deciding fifth game, games go to 15 points. You must win by two points. There is no cap (meaning a game could theoretically end up 29 - 27).
- 3) Each school will field 2 teams, an “A” team and a “B” team. The two stronger teams will play each other and the two lesser experienced teams will play each other. The two matches will be played simultaneously.
- 4) The Host school is responsible for supplying referees, umpires, line persons and scorekeepers. The visiting team must supply their own volleyballs. Please make an attempt to have **adult referees or high school referees**.
- 5) Volleyballs to be used are regulation adult size (**not mini - lites**).

6) Net height is 2.05 metres for girls (Bantam) and 2.20 metres for boys (Bantam).

7) Schools should try to have volleyball antennae set up if at all possible.

8) Teams are not permitted to shorten benches. **All players must receive equal playing time.** When a new game begins, teams must start with the same line up which they finished the previous game. This does not apply to a *new match*. Every time a player enters position #6 (beside the server) they must go off and his or her substitute comes in. This applies to all players.

9) If teams are short players, a grade 7 may play with the grade 8 team. Players may not play on 2 teams. Due to camping trips, workshops, illness, etc., schools may have a problem fielding a full team during league play. Coaches are encouraged to bring as many players as possible. Please see #19 for the ruling for number of players required for the District Championship.

10) Teams may serve underhand, sidearm or overhand from any point behind the baseline.

11) Players **are** allowed to return the serve directly over the net, without a second hit occurring (2005 Rule change).

12) Returning serve with a volley is permitted, but must be *fairly* clean. This means no palm, no "slapping sound" and the volley must go forward. A volley going straight up or behind the passer is considered a held ball.

14) Servers will serve a maximum of 5 times before rotating.

15) All games are rally point. This means a point is scored every serve. If you miss a serve, the other team wins the serve and a point.

16) Players will **not** be allowed to kick or head the ball during play.

17) A service that contacts the net and continues over into the opponent's court will be considered in play.

18) Formal league standings will not be kept.

19) The Andy Laliberte Tournament (District championship) will take place on Tuesday and Wednesday, Nov 15<sup>th</sup> & 16<sup>th</sup> at locations to be determined. The 2 teams you enter will **not** be of equal strength; they will be a "Team A" and "Team B". This equates to full participation and competition. If you have large numbers of players, you may enter a third team in the district tournament. This option would be to enter a "C" team in the "B" Tournament.

During the District Championships the "A" teams will be required to field a minimum of 12 players and the "B" and "C" teams must field a minimum of 10 players. The only exemption is if a player is injured while playing in the championship. Teams are allowed to bring up grade 7's so that they can field a full team. If a team has an insufficient number of players, they will be disqualified. The match can still be played as an exhibition, at the coaches discretion.

20) Schools hosting districts on the first day of playoffs will receive a reduced amount of \$50.00 versus \$100.00 for referees.

21) If your games fall on parent-teacher conference days, please phone the opposing team ASAP to plan a make-up game day.

22) Schools are encouraged to host tournaments throughout the year.
