Dear Parent/Guardian:

January 06, 2012

Over the next few weeks the articulation process of transitioning our students to their various secondary schools will begin. There are several dates that you need to be aware of and are listed on our school website. The main date is the tours to the secondary schools which will happen on Thursday, January 26th, 2012. We will be coordinating the visits to Centennial and Charles Best. If your child is attending another secondary school tour, you will need to contact that school for times and also make the necessary transportation arrangements. Please remember to inform the office of your child's absence.

Currently your son/daughter is scheduled to go to Gleneagle based on the home address you have listed and our school district locator program. Please ensure that this is correct. If it is not correct please contact the office. If you wish your child to attend another school then you will need to make a cross-catchment transfer. Applications will be available on-line from the Coquitlam School District website, www.sd43.bc.ca, beginning February 10, 2012 at 9:00 a.m. Applications are accepted on a first come, first served basis. Final deadline is February 22, 2012. For your information, a copy of this district process is located on back of this letter.

Several of our secondary schools offer honours and other special courses. If your child would like to participate in these, there are usually entrance exams that take place throughout January and February. Please contact the schools for this information. Some of the dates are available on our website.

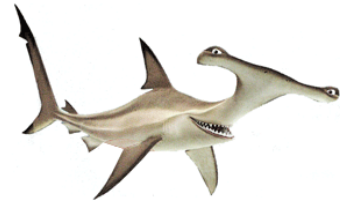

I would be most happy to answer any questions or address concerns that you might have regarding the articulation process. Please contact me by phone at 604-939-7367 or e-mail me at dchampion@sd43.bc.ca.

Yours truly,

Ms. D. Champion-Smith
