Dear Nicola Iten et al:

The Gaming Policy and Enforcement Branch has reviewed and approved your organization's PAC Grant application for the amount of \$15,980.00. This grant will be deposited directly into your gaming account.

Your organization must comply with British Columbia's Gaming Control Act and Regulations, all other applicable federal, provincial and municipal laws, and relevant conditions, standard procedures, policies, and orders issued by the Branch. Failure to comply with these conditions may result in your organization having to repay all or a portion of the grant monies and/or being denied future access to gaming funds.

Grant funding is intended to benefit students by enhancing their extra-curricular opportunities. Grant funds remain under the management and control of the PAC that receives them. Funds may not be used for, or transferred to, curricular purposes or to schools or school districts, or any of their activities or programs. Eligible uses of grant funds are outlined at:

<http://www.pssg.gov.bc.ca/gaming>.

As with all Community Gaming Grants, a condition of this grant is that your organization must submit a Gaming Account Summary Report within 90 days of your fiscal year end, showing how these funds were spent. That form, along with the complete list of conditions for this grant, is available on our website at: <http://www.pssg.gov.bc.ca/gaming>.

This grant is subject to the following conditions:

- Reporting - Report is Due: Gaming Account Summary Report for the PAC's fiscal year ended June 30, 2010. Please note this report is due within 90 days after the PAC's fiscal year end. Blank copies of the current report form can be downloaded from our website at <http://www.pssg.gov.bc.ca/gaming/docs/form-acct-summary-rpt.pdf>.

If you do not agree with this decision, please refer to our internal review procedures at: <http://www.pssg.gov.bc.ca/gaming>.

If you have any questions concerning this process, please contact the Branch at 250 387-5311 or Gaming.Branch@gov.bc.ca.
