

SCOTT CREEK TIMES

Newsletter October 2011

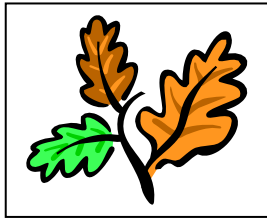

Principal - Judy Robb
Vice-Principal - Mike Slinger

We Believe, We Can, We Will

Principal's Message

We have just completed a very busy September at Scott Creek Middle. Our opening week, Cops for Cancer Opening Ceremony, Terry Fox Run and Duathlon have all been very positive and successful ventures. Our students are enthusiastic, physically fit and extremely well behaved. It is always a joy to spend time with them and we would like to encourage you to join us as events come up throughout the year.

October is fund raising month for our PAC. Please support the magazine drive; you will not only be helping our parents, you will be demonstrating your dedication to our non-fiction reading goal!

Judy Robb
Principal

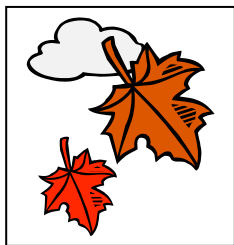

Thanks to the PAC

A standing ovation to our dedicated parents who served breakfast to the Cops for Cancer participants, the crew and their families, and who provided water and snacks for Terry Fox run participants on Wednesday, and Duathlon participants on Friday. These are three examples of the way fundraising monies are used by the PAC to enhance student programmes.

E-Forms

We are very pleased with the number of e-forms we have received at the school. If you have not done so, please complete the forms and submit them on-line at: <http://www.sd43.bc.ca/middle/scottcreek/>
Click inside the big button on the home page to access the forms.

The forms include your email address. Once we have your addresses, we can begin to send newsletters electronically.

Cancellations Due to Teacher Job Action

	OCTOBER - Cancellations
Thur 6	NO interim report cards sent home
Thur 13	NO early dismissal NO parent/teacher conferences
Wed 26	NO "Squeak and Squawk" beginner band concert

Terry Fox

Thank you so much for your generosity during our fund raising efforts for the Terry Fox Foundation. Not only was the run a huge success, our school community raised \$3050.00 for cancer research this year. Congratulations to Ms. Koverola-Stagliano and Ms. Leung, winners of the Canucks tickets and to Division 5 (Mr. Charles) , Division 2 (Ms. Westphal), Division 10, Ms. Chen/Kochan, and Division 21 (Mr. Tvergyak). A special thank you to the Apostoliuk family for donating two tickets to the game.

Family Photo Night

As part of this newsletter, you are receiving information about this year's PAC initiative, Family Photo Night. You are invited to book a time on October 19th or 20th from 5:00 - 9:00 pm by completing the form and attaching a \$20.00 sitting fee. Each family will have a 15 minute appointment time; well behaved pets and props such as sports equipment are welcome as well. Photos are a great addition to holiday gift giving; the hand out includes a website where you can view the photographer's work.

Magazine Fundraiser

Just in time for holiday gift giving, the PAC is launching the annual magazine subscription fund raiser. Your child will receive a package at the end of this week with a catalogue full of magazines available, a prize package and our online password.

The magazine campaign will begin as soon as you receive the information and will close on October 21st. You can view and order magazines on-line at www.qsp.ca and give credit to your favourite student by using our group password of 33054.

Our Parent Advisory Committee does only one major fund raising activity each year, and you are encouraged to support the PAC through purchasing magazines for your family or as gifts for everyone you know! If each student at Scott Creek sold one magazine subscription, the PAC would earn approximately \$6,500 to support your childrens' middle school activities.
