

Instructions for accessing student accounts

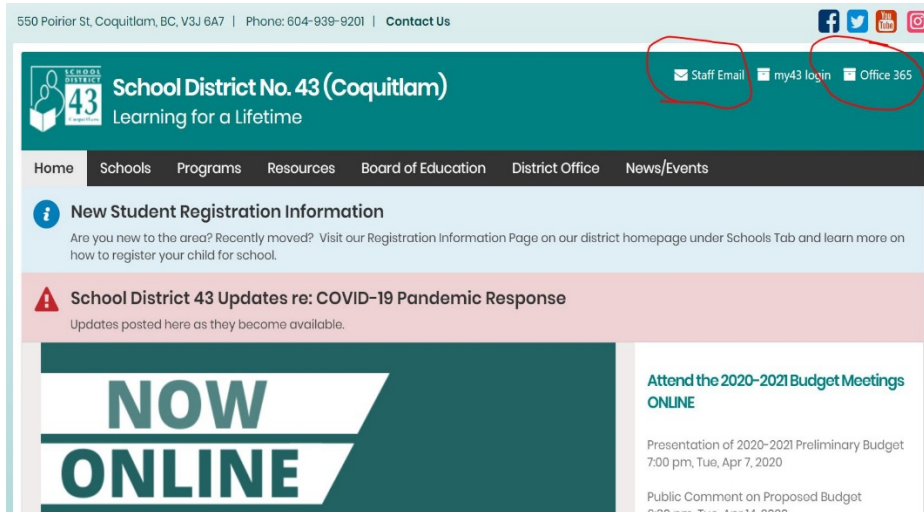

Step One:

Search for the SD43 main webpage and click to go to it:

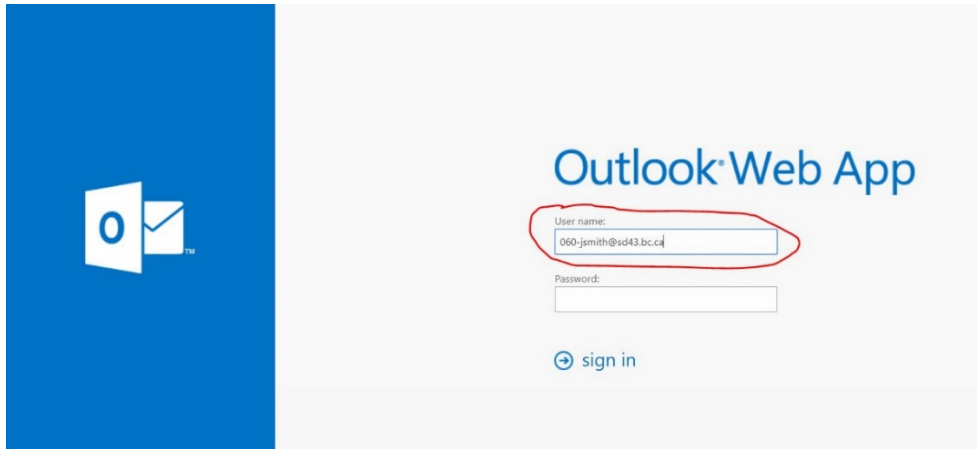

Step 2: To access email or Office 365

Click the relevant link at the top of the page

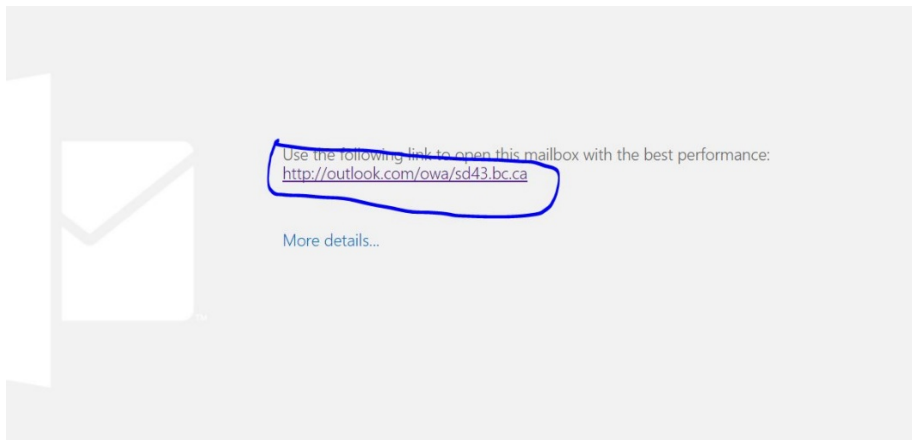

Step 3: Email access

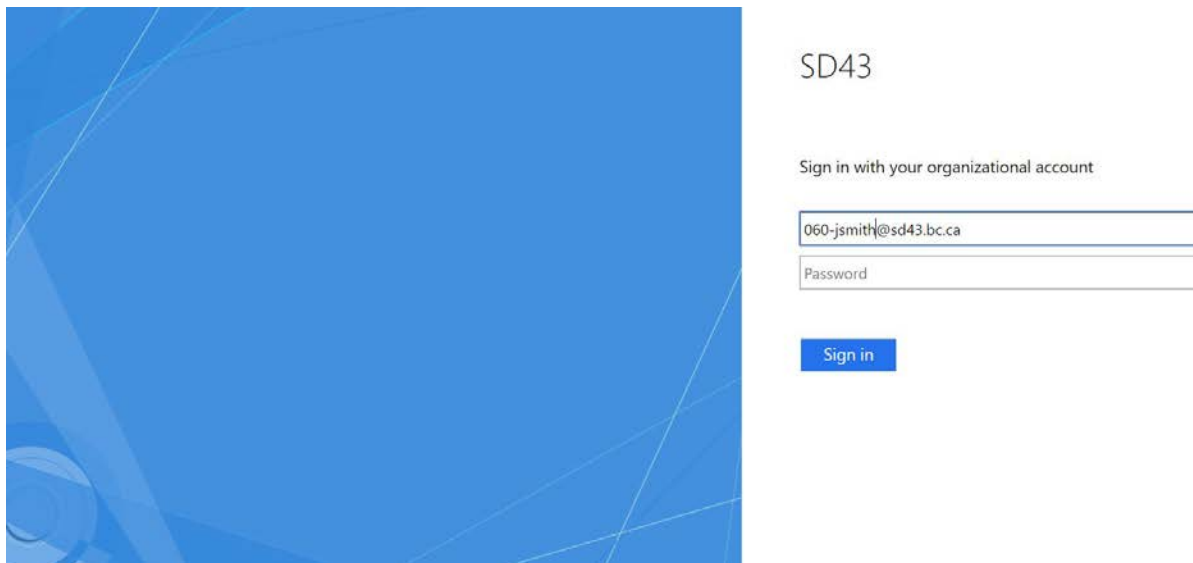

Once you click on email you will be taken to the following screen. Enter the full student ID as shown in the picture and the student password:

You will be redirected to this page where you will click the link:

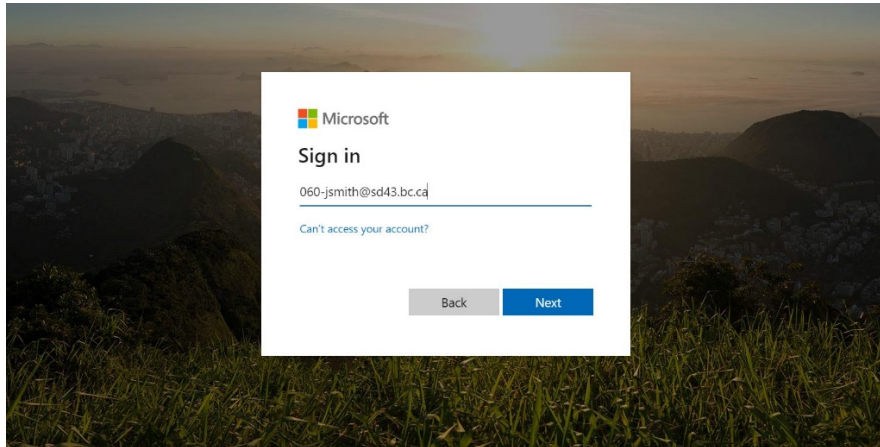

Which will redirect you to a page to enter your login information one more time:

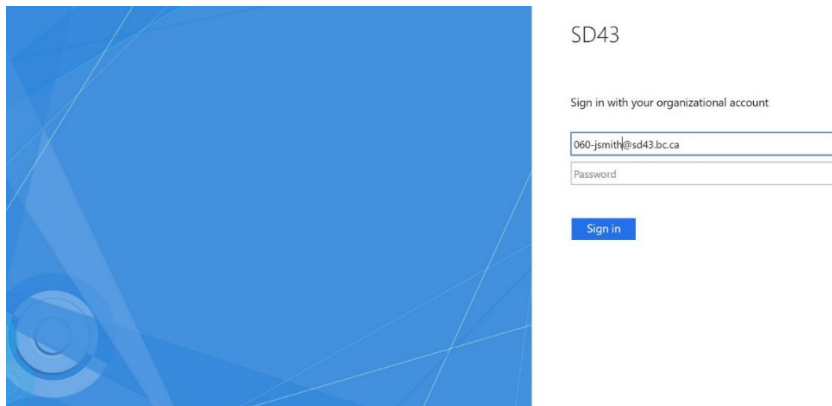

Step 4: Office 365 Access

Once you click Office 365 you will be taken to the following screen. Enter the full student ID as shown in the picture and the student password:

Step 5: Office 365 Continued...

You will be taken to the following page where you will repeat the login steps, but you will NOT need to re-enter the student login name:

Step 6: Office 365 Continued...

Once you login you will see the following screen. Click on the appropriate application as directed by your teacher. This will open the app in browser.

For instance-see Teams and OneNote:
