ODYSSEY OF THE MIND STUDENT SIGN UP

Aspenwood Elementary is pleased to be once again offering the Odyssey of the Mind program to our Grade 3 – 5 students. Odyssey teams combine skills which include art, drama, technology, building, mechanical and verbal talents.

Being part of an Odyssey team is a big commitment and is similar to being on a sports team. Teams will generally meet once and at times twice per week after school for 2 hours each time.

Important Tournament dates: Saturday, March 20, 2010 and Saturday, April 17, 2010. The tournament dates are very important and all team members must attend the all day tournament to be part of the team.

We will be starting up our teams at Aspenwood in the next few weeks and we need to know a little more about your interests, skills and availability to best organize the teams.
