

École **BANTING MIDDLE** School

820 Banting Street, Coquitlam, BC V3J 4J4
Phone: 604-939-9247 Fax: 604-937-8041

Greetings Banting Community,

First, a big welcome to all our incoming grade 5 students and our new grade 7 and 8 students. We are looking forward to another great year. At present, we will open with twenty divisions in September, ten English and ten French and it is looking like we may be moving to the new school sometime in November. Until then, it will be business as usual, and of course be prepared for some parking and dropping off/picking up challenges. The information below will assist you with the routines and timelines for the upcoming year.

Note – our schedule has changed, Wednesday start times will be at 9:05; all the other days will be the usual 8:38.

If you are in band on Wednesday morning, the schedule remains the same. School is still open at the usual time Wednesday mornings, but the bell that rings to start school does not go until 9:05 at which time students are expected to go immediately to class. What we have done is made lunch breaks 5 minutes shorter and arranged a later start Wednesday in order to give teachers collaboration time to plan together and meet with student services (educational/classroom time has not been lost in any way).

We are open the first week of July and the last week of August if your child is feeling a little anxious and would like to come by for a visit. Have a great summer!

Bill

Bill Trask, Principal École Intermédiaire - Banting Middle School

FIRST WEEK - SEPTEMBER 2018

Below is a rough outline of the first week at Banting. Much of the first week is introductory where we go over Banting expectations, goals and the year ahead - icebreakers, tours, Pride/Fierte matrix, and introductory activities connected to the Core and Curricular competencies.

Students will not be placed in classes until we are certain of our enrolment, which will probably be Friday, September 7. The first few days, students will work in their team communities until classes are finalized. If we do not need to reorganize the school (grow a class or lose a class based on numbers of students), our tentative plan will be to start exploration classes on Monday September 10.

Lockers will not be assigned until classes are assigned.

A plethora of important notices will be coming home regarding emergency contacts, driving forms, school fees ...etc. – to name a few. Your assistance in returning these promptly is very much appreciated.

There is no cafeteria service, so students will need to pack a lunch starting Wednesday, September 5.

We want to start off building good habits, so please note that school begins at 9:05 on Wednesday and 8:38 on Thursday and Friday. Students will want to be a few minutes early at the least.

As we are under construction, traffic is challenging – I am including a map and some instructions (alternates to driving is highly recommended).

More information will be forthcoming via newsletter and E-mail. I highly recommend you frequently visit our website for information (such as supply lists), and any calendar updates.

<http://www.sd43.bc.ca/school/banting/Pages/default.aspx>

* Each team will be hosting a pancake breakfast during the second week. The specific days will be announced during the first week.

TUESDAY SEPTEMBER 4th

The first day of school is simply an opportunity to welcome students to the school, to take attendance, to register new students and to see which students have moved over the summer. If your son or daughter will not be in this day, please contact the school. You do not need to bring anything!

Attendance is staggered by grade level and each group of students **is dismissed after 30 - 45 minutes.**

9:00 – Grade 6 students arrive for attendance in the gym.

9:00 – Any new students arrive for registration in Room 125.

10:00 – Grade 7 students arrive for attendance in the gym.

10:30 – Grade 8 students arrive for attendance in the gym.

TEACHERS WILL TELL STUDENTS WHERE TO MEET WEDNESDAY MORNING

WEDNESDAY SEPTEMBER 5th

9:05 – 3:00 - all students attend. Please bring a lunch and a pen or pencil.

THURSDAY SEPTEMBER 6th

8:38 – 3:00 - all students attend

FRIDAY SEPTEMBER 7th

8:38 – 3:00 – all students attend

COMPUTERS FOR NEXT YEAR – BYOD & Office 365

Next year there will be pairs/teams piloting BYOD (Bring Your Own Device). More specific information will be provided in September.

Whether or not your child is on a pilot team, we highly encourage students to bring laptops to do their schoolwork. Each student has their own locker and we have never had a computer lost. Smartphones are effective for research and other functions, as are iPads, but for word processing, we highly recommend a laptop. The primary use of the laptop will be word processing; therefore, students do not require a high-end laptop. An affordable option would be Kevin's used computers, for example. Students will have access to Office 365 at school and at home. It is expected that students will save their work in the cloud. Therefore, USB drives will not be permitted.

LATES

At Banting Middle School we believe it is very important that students arrive at school on time, ready to work. Being on time prepares students for work and other activities outside of school: a life skill necessary to succeed after graduation. Late arrivals have the dual effect of hindering a student's academic progress, as well as disrupting the teacher and the class, missing important information, calendar items and daily announcements. Students should arrive at the school **by 8:38am** to allow them time to go to their locker before the first bell.

If a student arrives late to school, he/she **must** sign in at the office.

- A student who is late twice a month will be excused.
- The third time late in a month, the student will be expected to complete a reflection sheet designed to help the student come up with a plan to arrive at school on time, and to inform parents.
- On the third, and any subsequent late arrivals to school in a month, the student will owe back the time to the office.

PEDS (Personal Electronic Devices – cell phones, iPods, iPads, MP3's, computers, electronic games)

We understand PEDs are a part of everyday life, but it is important that they do not disrupt the learning environment. PEDs will be permitted throughout the school (inside and outside) before and after school but **must be in lockers during school hours.**

PEDs should not be out between 8:35 – 2:55. This means no PED's out at nutrition break or lunch break.

Classroom teachers may permit PEDs in the classroom during classroom time or during breaks, under their supervision. This is the decision of each individual teacher and this must be respected. This means some classrooms or some areas may not permit PED's during certain times or at all.

PEDs should be used respectfully and responsibly. The content on a PED must be appropriate and any staff member can request to see or hear a PED at any time. For safety purposes, the volume level of the PED must be at a level that the individual using it can hear others around him/her in case of an emergency. PED's that are not connected to earphones or ear buds must be at a volume level that is quiet and does not disrupt others.

PICTURES OR RECORDINGS ARE NEVER TO BE TAKEN AT SCHOOL, INCLUDING BEFORE AND AFTER.

There are exceptions to this rule on a case by case basis. For example, students may be asked to do some video work or take pictures for a class or school project. This will be approved and supervised by a staff member.

PEDs are NEVER to be present in washrooms or change rooms for ANY reason.

Using a PED at Banting is a privilege. If it is abused, you may lose the privilege. If PED use compromises the privacy or safety of a person at Banting, consequences can range from confiscation of the PED to suspension - or both.

THE SCHOOL IS NOT RESPONSIBLE FOR THE SECURITY OF PED'S AT ANY TIME.

CAMERAS

Cameras of any type are not to be used at school without teacher supervision. Any use of cameras for photos or video will be for educational purposes only. This is a large privacy/confidentiality issue.
