

COQUITLAM EXPRESS JR A HOCKEY CLUB

Dear Birchland Elementary School students,

The Coquitlam Express Junior "A" Hockey team is hosting an Elementary School Shootout Challenge at the Sunday, November 19th game, at 2pm.

We would like to invite all students from Birchland Elementary School and one Grade 5 participant to compete in a shootout during the first intermission of the Coquitlam Express and Alberni Valley Bulldogs game. One or two Elementary School contestants will have 10 seconds to a total of 5 pucks from the blue line into the empty net. The contestant with the most goals will win the Shootout Challenge. Of course everyone will receive a prize. All participating Elementary School's students will be given free admission to the game and their own school cheering section to cheer on their schools representative.

The event will be filled with fun and exciting activities for the students to participate in. As well, we will have prizes and giveaways throughout the game for the students. And don't forget to bring your skates as following the game there will be a free family skate with the entire Express team, the rental shop in the rink will also be open for anyone that needs to rent skates and/or helmets. Skate and helmet rentals are free!

For the Coquitlam Express, it is extremely important we continue to put our emphasis on the community and the youth of today. Hockey plays a large role in the development of youth by encouraging its core values such as hard work, dedication and team work. These same core values can be applied to the classroom and lead to academic success. Hopefully the Elementary School Shootout Challenge can help promote those values and most importantly provide a fun and safe environment for the students.

When: November 19th, 2017

Time: 2pm, Puck Drop

Where: Poirier Sport & Leisure Complex

Details: Doors open at 1:15pm, game starts at 2pm, post-game family skate once the game is finished (complimentary skate and helmet rentals).

Sincerely,

Coquitlam Express Junior "A" Hockey Team
