Did You Know?

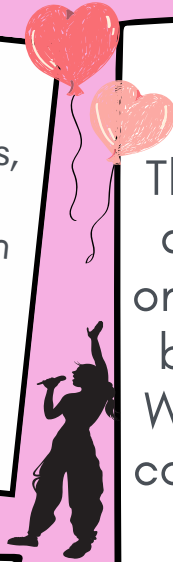

The root of Valentine's day has many theories, spanning multiple cultures and religions dating as far back as 500 AD. The most popular theory is that of Saint Valentine. Saint Valentine was a Roman priest who performed weddings for soldiers forbidden to marry, because of a Roman emperor's edict decreeing married soldiers did not make good warriors and thus young men could not marry. This Saint Valentine wore a ring with a Cupid on it—a symbol of love—that helped soldiers recognize him.

Reminder!

As Valentine's Day approaches, please be aware of severe allergies that may be present in your child's class when bringing in treats. Birchland is a no-nut school, so ensure those goodies do not contain traces of nuts!

Spring Fling!

The snow may have foiled our Winter dance plans, but the dance is back on! The Spring Fling Family Dance will be happening at 6pm on March 1st! We have a fabulous dance instructor coming in for the first hour to hype up the crowd and show us all some moves. This is going to be an amazing event, mark your calendars! Entry is free and we will have a concession available for snacks! Don't miss it!
