

Kindergarten School Supplies 2022 - 2023

We are bulk ordering school supplies for Kindergarten students for September. We are asking for \$40 a family to put towards the various items your child will use during the school year. This amount is similar to what has been requested in the past. Depending on how these items are used, we may need to request a small amount of additional funds during the school year. We will be collecting the funds by our School Cash OnLine system in September.
