

A caring, creative, intelligent school!

Share Christmas hampers

This Christmas season Blakeburn school has decided to take care of others in our local community. We are sponsoring 3 families in need through the Caring Neighbour Program with SHARE Family & Community Services Society. We hope you will consider participating with us this holiday season by helping these families have a special Christmas. We will be collecting non-perishable food items, specific clothing requests, toys for the children and gift cards for groceries. Over the next few weeks more detailed information will come home with your child(ren), but as the Christmas season approaches we wanted you to be aware of this special opportunity to take care of others that you can participate in.

Share also provides over 1200 small food hampers at Christmas time. Blakeburn will be having a school wide card making day on Wednesday, November 25th where every Blakeburn student will be invited to create a card that will be received by someone who will get one of those small food hampers from SHARE.

Wednesday, November 25th is a Blakeburn Cares day! We are making Christmas cards throughout the day to accompany SHARE food hampers! We will have teacher leaders giving the lesson on how to make their card and include a special message.

Here are some suggested items for the food bank:

- Canned Fruit
- Fish & Meat (canned)
- Peanut Butter and Jam
- Cereal
- Rice
- Canned Meals
- Canned Vegetables
- Tomato Sauce
- Juice
- Pasta
- Noodles and Sauce, Hamburger Helper, etc.
- Coffee or Tea
- Condiments such as ketchup, mayonnaise, salad dressing etc.
- Cooking oil

(Please be advised that Share cannot use open, damaged or expired food)

Thank you for supporting our students to give back this holiday season!
