The purpose of this notice is to inform you about an in-school opportunity involving your child, and to seek your support and permission for your child to participate.

The tennis program will enhance the learning outcomes of the Physical Education program. The fee per student for this program is \$12.00 although no student will be denied access to this activity due to an inability to pay. If required, please contact Mrs. McComb to discuss a fee waiver.

This program is specially designed for elementary schools from kindergarten to grade 5. During the sessions the proper fundamentals of tennis are taught within a fun and playful environment. We hope that this opportunity enhances the learning outcomes for physical education and provides a lifetime activity. Each student will receive 5 lessons with all equipment provided by a Tennis Canada certified instructor. Focus will be on the three C's: coordination, concentration and all students are involved no matter what their level. There will be an opportunity to purchase new tennis racquets at a reduced price. If you are interested, your child(ren) will be able to bring home an additional notice regarding equipment. There will also be a raffle for 2 racquets.
