

Track and Field Practice Schedule

In preparation for the upcoming district track and field competition, students will need to attend the practices for the events they would like to try out for. As some students may be trying out for multiple events, they should make sure that they have proper gym strip at school at all times. Since some practices will be held before and after school (as well as at lunchtime) parents may need to arrange alternate drop-off and pick up arrangements for their child. We thank you in advance for your cooperation and support at this busy time.

Just a reminder: Coaches are limited in the number of students they are able to take for their events. Further, some events, such as long jump, high jump, distance, require a standard to be met by students. As a result, students are not guaranteed to "make" the event they have tried out for. Our main goal is to take as many students as possible, but to better the chances of getting to the Track Meet; we are encouraging students to try out for as many events as possible. Please take the time to discuss with your child if he/she is committed to participating in Blakeburn's Track and Field practices as attendance is important and will be monitored. As mentioned, students will require proper running attire e.g. running shoes, shorts or running pants, jacket etc.
