Thank you for your generous donations to B.C. Children's Hospital Oncology Department. Your support is greatly appreciated. If you didn't get a chance to make a donation it's not too late. Once again, we send our great Cedar Drive community a heartfelt [THANK YOU!](#)

## Feeding Futures Family Tips

### About Breakfast...

Here are three things you can do to help your child have a better chance at eating breakfast...An important meal!

Aim for an earlier bed-time to so they can wake up and have time to eat breakfast.

Eat breakfast with your kids. Think outside the cereal box! Think protein, fruits, and vegetables, and think creatively!
