## **LIBRARY SEATING LIMIT**

Starting this week, and likely at least until Omicron has run its course, the library is reducing seating capacity to 50 percent as we did last school year. This means, for example, no more than two people per table in the classroom area, and no seating on the floor of the Fiction Room, in the stacks, or on the stairs. It is very likely that the library will hit 50 percent early in Period 3, so if you want to study in the library, it would be best to come right away. Once we reach our seating limit, the doors will be closed until there is space. Note: You cannot come in and 'reserve' seats by leaving bags or books on them. If you leave after the doors have been closed, you may not be able to get in again until the end of the block. Thank you for your co-operation.
