Student timetable changes

- For any of the students and families involved with course changes this week, thank you for your patience. It is a difficult task for our counsellors to satisfy all requests but they certainly have done a great job. Our classes are very full so it makes it difficult to meet every request but they continue to work very hard. We are hopeful that the majority of changes have now taken place and there will be fewer interruptions for students and teachers.

Meet the Teacher Night

New Tobacco and Vapour Products Control Act
