FIELD HOCKEY

The team concluded a very successful season with two wins (including a shootout win) on the final day of the Provincial Championships on Friday. While the 13th place finish was not what we hoped for after our early pool play success, we were still very pleased with our 3 win, 1 tie, 2 loss record. Our season record was 15 wins, 1 tie and 8 losses and goalie Emily Davis recorded 13 shut-outs. Congratulations to all of the players and especially to our graduating seniors – Megan Cave, Jayme Dalmann and Natalie Winter.

IMPORTANT REMINDERS

*******SCENT FREE SCHOOL*******

All schools and buildings within *SD43* are “**scent free**” places of work and learning. Numerous students and staff have serious medical complications with various natural and chemical scents/ fragrances.

As such, please make every effort to avoid using or wearing scented products within this space in order to establish an environment that is as “scent safe” as possible.

SLOW DOWN AND USE CAUTION IN THE DRIVEWAY/DROP OFF AREA IN FRONT OF THE SCHOOL

Students are reminded to slow down and use the designated crosswalk area when crossing through the school driveway area. Be very vigilant as drivers are often distracted as they are moving in and out of waiting spots. Also, our student drivers are reminded that the expectation is “dead slow” in our school driveways and parking lots.

STUDENTS THAT ARE LATE OR LEAVING EARLY

Please remember that when you are late (even for a minute) you MUST sign in at the office. This also applies to those students whose parents have phoned them in late. Also if you need to leave the school early for any reason,

YOU MUST sign out at the office with parents’ permission – a note, phone call or email.

*****VAPORIZERS – AN ADDITION TO THE CODE OF CONDUCT*****

VAPING IS NOT PERMITTED IN THE SCHOOL OR ON SCHOOL GROUNDS

We have noted an increase in the use of these devices by our student population at Charles Best.

While there are documented health concerns associated with vaping, these devices have also become a safety issue.

We are using this opportunity to inform students and parents **that vaporizers and/or e-cigarettes cannot be possessed at school under any circumstances**. There have been recent incidents in our school/district that have resulted in these devices unintentionally exploding which can result in serious injury for the user and those around them. For the safety of all of our students and staff it is important that these devices are not on school property.

Students are not permitted to have these devices in their lockers, backpacks, or on their person at any time while on school property. If a student is found in possession of a vaporizer or e-cigarette, it will be confiscated. Parents will be contacted and required to meet with the administration and their son/daughter. Reoccurring incidents will result in disciplinary action.
