## Final Interview Assignment – Digital Learning 10

### The Big Ideas

1. Personal design choices require self-exploration and refinement of skills
2. Tools and technology have an impact on people's lives

### The Objective

The objective of this assignment is to showcase the technological growth you have made during your first year at Dr. Charles Best.

### The Assignment

#### Part 1: The Blog Post

1. Edublog is intended to showcase learning that you are proud of. For this last assignment, we want you to pick one of your learning experiences that you are proud of from a course other than Digital Learning 10 and showcase it through a post on your blog. It should be categorized under your portfolio.

#### Part 2: Sway Presentation

2. Create a **sway** presentation that answers the following questions (with evidence). The idea is that you will use this presentation while speaking with your digital learning teacher during your final interview.

- i. What are some the technology skills that you came with to Dr. Charles Best this year?
- ii. What are some of the technology skills that you learnt this year?
- iii. What are some of the technology skills that you would still like to learn about?
- iv. Where do you think you will use technology in the future/and or your career?

#### Part 3: Final Interview

3. Attend an interview with your Digital Learning teacher at your given time. During your interview you Digital Learning teacher will ask to do the following:
  - a. Give a tour of your Edublog
  - b. Present you sway presentation

Name: \_\_\_\_\_

## Checklist for Success

### Edublog

- I am able to login to Edublog
- I am able to navigate to different sites on my Edublog
- I have successfully used Edublog to showcase my learning in Digital Learning 10
  - About Me
  - Digital Footprint
  - Science
  - English
  - Showcase Project

### Sway Presentation

- I have created a sway presentation that answers the following questions
  - What are some the technology skills that you came with to Dr. Charles Best this year?
  - What are some of the technology skills that you learnt this year?
  - What are some of the technology skills that you would still like to learn about?
  - Where do you think you will use technology in the future/and or your career?
- I have proof read my sway presentation so that it is error free
- I have practice presenting my sway presentation with a friend or family member

## Learning Standards

### Content Goals:

Media fluency  
Navigate digital platforms  
Edit image, audio, and video

### Understanding context

Engage in reciprocal relationships throughout the design process

### Defining

Identify criteria for success, intended impact, and any constraints

### Ideating

Take creative risks in generating ideas and add to others' ideas in ways that enhance them

Understand the process of creation with respect to digital media

### Making

Identify and use appropriate tools, technologies, materials, and processes for production  
Make a step-by-step plan for production and carry it out, making changes as needed

### Applied Technologies

Choose, adapt, and if necessary, learn more about appropriate tools and technologies to use for tasks
