Dear parents/guardians:

The Coquitlam School District in collaboration with the *Centre DELF scolaire de la Colombie-Britannique* would like to offer students at your school the opportunity to participate in an international French language assessment program. This assessment will give students an opportunity to obtain certification of their competency in the French language.

The *Diplôme d'études en langue française* (DELF) is an internationally recognized series of qualifications awarded to language learners to validate their skills in French. Through an examination process of their speaking, listening, reading and writing skills, students can be granted diplomas at various levels. The resulting diploma issued by the French Ministry of Education is valid for life and a recognized qualification in many educational and business institutions worldwide.

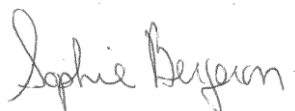

The next series of exams will take place **November 26 to November 29, 2018**. Most components of the exams will be conducted during the regular school day but some modifications to the students' daily schedule may be required. Your child's teacher will let him/her know of the exact dates in early November. Student must register online here: <https://tinyurl.com/y7bqahz2> before **October 24**

We are hoping that all eligible students will take advantage of this wonderful opportunity. Students are encouraged to consult with their French teacher in order to register for the appropriate exam corresponding to their skill level. While the results of the DELF exam have no impact on the students' class grades, students can present their DELF credentials to earn external credits.

The cost to write the DELF is **\$30 for levels A1 & A2 (typically FSL students) and \$35 for levels B1 & B2 (French immersion Grade 11 and 12)**. **Once students registered, they will be provided with a link to pay for the registration fee.** Students unable to be present for the exam must give adequate notice. There will be no refund.

If you require any further information, please contact your child's teacher or the district DELF coordinator: sbergeron@sd43.bc.ca

Yours sincerely,
