As a fundraiser for Dr. Charles Best Secondary, GradsBC Photography & Video - *our new official school photographer*, will be offering family portraits. This rare opportunity will give you a chance to have a professional family portrait taken in an outdoor setting and at the same time help support and bring awareness to our community about Dry After Grad. The funds generated will have a positive impact on our Dry After Grad programs by supporting a fun and safe environment for our graduates to celebrate.

100% of the session fee is given directly back to Dr. Charles Best Secondary.

For just \$30.00 your family will receive one sitting and an 8x10 portrait from the proof of your choice.
