

Gaby Davis, a former Coquiltam River Elementary student, was diagnosed with cancer in 2006. As Gaby was fighting her disease she was witness to the hardships many families faced and wanted to help them as much as she could. Her wish was that all families could have the support she felt her family received from their own friends, community and family.

Unfortunately, the following year after a courageous battle, she passed away at the tender age of 7. Gaby's parents Guy and Tanya started the Gaby Davis Foundation in her memory to help fulfill her wish. Helping families by offering both emotional and financial support. To date the foundation has helped over 60 families! If you would like more information or would like to make a private donation please visit www.gabydavisfoundation.com

ALL proceeds of the January PAC Hotdog lunch will be donated to the Gaby Davis Foundation in memory of our friend Gaby.
