## Principally Speaking

### The Week That Was

A busy and productive week at Glenayre it was. Here are a few highlights.

- **Kindergarten Orientation Evening.** It was wonderful to see families face-to-face. Thank you to our Kindergarten teachers for the thoughtful activities they had the students complete and to our PAC for, once again, being present at an important event. A great way to build community.
- Some of our Intermediate classes, who participated in the **Salmon Enhancement Project**, released their salmon fry into our local creek.
- **French Immersion Public Speaking.** Our Glenayre classroom finalists presented to a live audience. The students preparation was very evident as they did a fantastic job. We thank Mme. Batchelor, Mme. Wong, and Mr. Barnes for being our judges. Thanks for taking the time to be an invaluable part of the morning.
- Site preparation for our **Outdoor Garden Project** began. Congratulations to Mme. Birnbaum for her efforts to make this project happen. We will see many curricular connections to Science and First Peoples Principles of Learning.

- Students continue the trend of using their outdoor spaces as creative outlets which in turn mean working as a unit to make things that maybe not everyone had first agreed upon. Powerful skills being nurtured when projects like these are created and overseen by students.

## Looking Forward

### **Grade 5 Leaving Ceremony – Friday, June 24<sup>th</sup>. 1-2:30. Doors open @ 12:30pm**

Attention Grade 5 Families. Our Grade 5 Leaving Ceremony Organizing Committee has finalized the attendance details associated with this event. An official overview will be sent to all Grade 5 families in early June.

#### **Attendance Protocols**

1. All Grade 5 students will be in attendance together for the Grade 5 Leaving Ceremony.
2. Grade 4 students will be part of the audience for this event.
3. Each Grade 5 student will be able to have (2) adults in attendance. If there are extenuating circumstances where a family feels (2) family members in attendance is not enough, please email or phone Mr. Lloyd directly.

#### **Student Profile Survey**

The **Student Profile Survey** has been open since May 3<sup>rd</sup> and closes on Monday, May 17<sup>th</sup>. The purpose of this voluntary survey is to glean information about how your child learns best as we begin to organize classes for the 2022.23 school year. As a gentle reminder, this survey is NOT a teacher request form.

Have a great weekend,

Andrew

## **BIKE TO SCHOOL WEEK - MAY 30 TO JUNE 3**

With improving weather (we hope), active transportation is increasing. Please be aware that Glencoe Drive is a designated bike route – at the entrance of Glencoe Drive off Glenayre Drive is this sign:

This compares to what may be found on other streets in and around our community such as:

So, on Glencoe, drivers – DO NOT PASS – it endangers the life of the adult and/or child on the bike.

See the attachment “Glencoe Drive Bike Route” which has been reviewed by Port Moody Police for more details.

### **Preliminary activities for Bike to school week include:**

Monday May 30th after school - bike tune up.

Bring your bike and we will review the ABC’s (Air, Brakes & Chain) and seat height for optimal riding.

Tracking stickers - each day you ride, roll or walk to school you get a sticker to add to a tracking board. Let's see how many stickers we can add to the board!

More activities being planned and to be announced next week.
