## Principal's Message:

Please allow me to begin this, my first message to the Gleneagle community, with a hearty "congratulations!" to Mr. Shong on his appointment as Assistant Superintendent. I know that he will be greatly missed' but having worked with him as a fellow secondary-school principal for many years, I know that he will do a tremendous job in his new position.

Of course, his departure has given me the exciting opportunity to spend the next three months at Gleneagle—with vice-principals Parkins and Lloyd, the staff and the students. I truly appreciate the opportunity.

And what a welcoming reception I've experienced in my first few days! The friendly hellos and smiles, the invitations to come into classes, and the expressions of appreciation in the food line all confirm what I have heard about Gleneagle's warm and friendly community. The school's special character was well and truly on display this past Tuesday at the Basketball Banquet, where I witnessed a celebration that is rooted in positive relationships between team members and their coaches. Bravo! The staff and students are to be commended for the safe, caring and positive environment they have created. It is apparent that this is a great place in which to learn and grow.

With Spring Break behind us and Semester Two well under way, we begin the countdown to the end of the year with Interim Report Cards that are being distributed today, March 25. Please note that the Interim Report Card is a "snapshot" of student progress for the start of their Semester Two courses. Year-long courses do not report at this time. Parent-Teacher Interviews will be held on Wednesday, April 1 from 4-7 pm, with requests for appointment times beginning March 27, 30 and 31 from 10 am-3 pm . We look forward to seeing many parents at the interviews.

Grade 12 students are reminded that Grad Transition Exit Interviews take place on April 23. Please ensure all required assignments are completed in order to schedule an interview.

Mrs. Mary O'Neill  
Principal

## Drafting

Gleneagle's CAD drafting classes cleaned up the medals for the Central Lower Mainland (MECHANICAL) Virtual competition held March 5<sup>th</sup>. The competition results are **GOLD** – Troy Brown, **SILVER** – Nicholas Prai, and **BRONZE** – Ali Ameri. Skills Canada has invited Regional Medalists, Troy Brown and Nicholas Prai to compete in the provincial competition on April 15, 2015 at the Tradex Center in Abbotsford. Thanks to everyone who helped to make this possible.

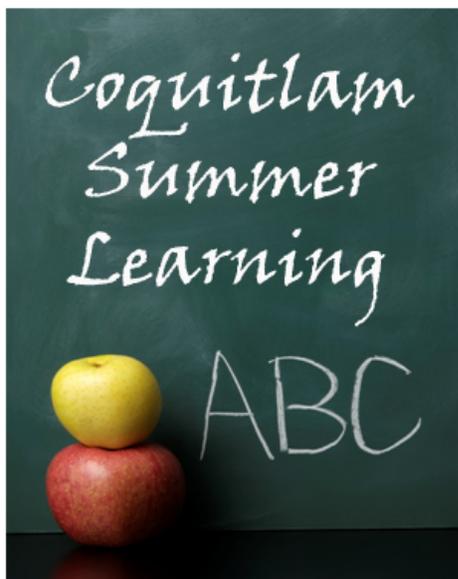

## Math

In February 2015 and for the first time, Gleneagle participated in "MATH Challengers" competition with two teams of 5 students, after a month of practicing in Math Contest Club. This competition was open only for Grade 8 and 9 students, and the first round was held at UBC. Team "A" ranked second in their pool which means Gleneagle is going to compete at the provincial level in April. Amazingly, 4 Gleneagle students were among the top 10 contestants.

Jackson Zou (2nd, trophy, medallion), Timothy Song (4th, medallion, 2nd in Face Off round), Andy Chen (9th, medallion), and Minlyn Chen (10th, medallion). Sungwoo Hwang and Charles Lee also performed great.
