

Provincial Graduation Result Update

Update August 1, 2019

The Ministry released updated Provincial Graduation results on Wednesday, July 31 to over 32,000 students in BC as well as offshore and in the Yukon. The results are now published and available to students on the [Student Transcripts Service](#) (STS). Students are now able to verify their results via the STS or through their school of record or school district. The Ministry is confident in the accuracy of these revised results.

The Ministry has taken several steps to ensure that updated transcripts get delivered directly to post-secondary institutions so that students are able to meet entrance deadlines. The Ministry has contacted the Registrars of Canadian Post-Secondary Institutions to advise of the issue. No Post-Secondary Institution has raised concerns about any delay or indicated to the Ministry that this will impact any student admission. The Ministry has directly spoken with BC's largest Post-Secondary Institutions who have confirmed that this will not impact students.

On Wednesday, July 31, the Ministry published and sent updated transcripts to those Canadian Post-Secondary Institutions who are signed up to receive transcripts electronically. For a list, please see below. Any student who has applied to any of these listed Post Secondary Institutions is not required to take any further action: the institution will now have received their transcript.

All of the Post-Secondary Institutions who are not set up to receive electronic transmission will receive paper transcripts through BC Mail, as per our usual process. Again, students are not required to take any further action: the Post Secondary Institution you selected will receive their transcript next week.

The Ministry has been in touch directly with each individual student who recently decided to select new or additional Post-Secondary Institutions to receive their transcript, or ordered an additional PDF transcript, through the Student Transcripts Service between Friday, July 26 to Tuesday, July 30, to notify them of next steps.

Any student who is concerned about their exam result should please review the Provincial Graduation exam administration process, in Chapter 1 of the [Handbook of Procedures](#) (PDF).
