

Gleneagle After Grad (Dry Grad) 2019

After Grad is organized by the grade 11 & 12 parent community, along with the support and assistance of the administration and office staff at Gleneagle Secondary. We strongly believe this safe, fun, and alcohol free event helps save lives.

Historically, 75% of the graduating class attend this event, which is held immediately following their Grad Dinner Dance celebration. Because the graduating students are still in a celebratory mood after their dinner dance event, putting on this after grad event allows them to all stay together in a safe environment instead of finding a party to attend which would more than likely include alcohol.

Event Highlights

This year's event is on Friday, June 21-Saturday, June 22, 2019.

Doors open at 12:00 for those not attending the Dinner Dance and all students must have entered the venue by 1:00am. The event ends at approximately 5am. Along with the door prizes, grads can enjoy an evening of dancing, air brush tattoos, photo booth, money game booth, large inflatable games, food and much more which is included in their \$40 ticket. Grads will not need any additional money for this event.

Volunteer Call Out

This event cannot be successful without enough volunteers. Approximately 70-90 parent volunteers are required. Some tasks and jobs require a little more of your time, but we also need a large group to volunteer on the evening and would encourage you to help anyway you can. No job is too small. We appreciate whatever you are able to contribute.

We ask both grade 12 and 11 parents to join the committee. Additional volunteers and past alumni are welcomed to volunteer and we greatly appreciate their involvement. Why both grades? To ensure event support and continuity, we buddy up both Grade 12 and 11 parents in the five key volunteer areas, and welcome them to step up as the leader for these committees!

Volunteer Areas:

Prizes and Donation Committee (~15)

Send out donation requests, shop and wrap prizes, organize and run the event prize booth, send out thank-you cards

Food & Beverage Committee (6-8)

Make, buy or get donated tasty treats; organize and run the event concession

Games & Activities Committee (12-15)

Plan the event setup and activities, arrange and supervise games on event night

Decoration and Event Night Committee (30-35)

Arrange supplies, make stuff, do lights and decorate at the event, and clean up after the event. Assist with making posters, thank you board, event signs and flyers.

Front of House Committee (20-25)

Make registration envelopes, organize event registration, check coats and coordinate security.

Parents may be able to join more than one group if the time is not overlapped.
