FINANCIAL NEED?

Financial need is one of many criteria in several scholarships, however; there are still many awards that do not require financial need. If a scholarship requires financial need, it is incredibly helpful that you provide an idea of your circumstances. Please describe below how you plan on paying for your education. For example, does your family have a savings for your education or RESPs? Do you plan to apply for a student loan? Will you be working through college or university? Will you be using a combination of both family help and student loans/working? What is your level of financial need?

Keeping in mind that this form is confidential, please describe your circumstances on a separate sheet of paper with as much detail as you feel comfortable sharing.

PLEASE NOTE: This form **MUST BE SUBMITTED TO MS. MCRAE IN THE COUNSELLING OFFICE** to be considered for any SCHOOL SCHOLARSHIPS, BURSARIES or AWARDS. *You are encouraged to update this form throughout the school year.*
