Please review the Course Planning Booklet and “Steps to do Course Selection” (at www.gleneagle.org or by using this QR code) before choosing courses.

Be sure you are on track for meeting graduation requirements and that you have already taken any “Foundations” listed for the classes you request.

Remember to check post-secondary requirements when choosing electives (e.g. do you need a language course or a particular science or math course?).

Consider whether you want to take any additional electives offered outside of the timetable but note that they do not count towards your required eight courses.

Be sure to complete your course selection on the reverse side and remember signatures!
