Do you plan to attend a post-secondary program after graduating? **Check post-secondary admission requirements carefully when choosing courses!**

Consider whether you want to take any additional electives offered outside of the timetable but note that they do not count towards your required eight courses.

List your courses in priority order! You MUST write down four alternate electives in case any of your first choices are not available, and you MUST choose courses to fill all seven elective blocks.

**REQUESTING A STUDY BLOCK:** Requests will not be considered until after your timetable has been finalized in June. At that time, if you feel you have a heavy course load, and will graduate with at least 92 credits, you may contact your counsellor for an application form. Requests made in June will then be reviewed by admin for approval. If approved, the study block will replace your lowest-ranked elective (elective #7, or an alternate elective if one is in your timetable).
