FILM & TV 12

gleneagle
secondary

Film & TV 12 is designed to build upon the foundations laid out in Film & TV 11. Continued development of your filmmaking skills will be augmented with an introduction to film studies. This will include watching films from various genre, culminating in the production of five minute "critique/reviews" of at least two of these (4-5 films will be viewed during class time).

Assignments:

-  two five minute reviews
-  one interview piece (less than 4 minutes)
-  one documentary (longer than 5 mins)
-  one narrative piece (longer than 5 mins)
-  one "other" piece (longer than 5 mins)

KEYS TO SUCCESS :

Quality is PARAMOUNT in this course, so get good actors, light scenes well, frame shots carefully, take extra care collecting your audio, and, above all else, PLAN FOR PROBLEM RESOLUTION!
