

Tuesday, October 23rd, 2018

Dear Parents/Guardians of Grade 9 Students:

This notice is to inform you of a course requirement that your grade 9 Gleneagle student is responsible for. As part of the Career Education 9 curriculum, grade 9 students will be involved in several learning opportunities to fulfill the requirements of this course. Career Education 9 students do not meet formally as a regular day-to-day school course would. However, students are responsible for participating in all learning opportunities and completing all online assignments given to them. Grade 9 students will receive a letter grade for this course, just like their other courses. Future events and assignments are as follows:

1. Take Your Kids to Work Day (Off Campus): Wednesday, November 14th
2. Create your own OneNote Notebook online assignment (Due Date: T.B.A)
3. The Graduation Program online assignment (Due Date: T.B.A)
4. Grade 10 Course Selection Forms (Due Date: T.B.A)
5. Economics of Staying in School Workshop: Thursday, January 24th
6. Spring Assembly online reflection assignment (Spring 2019)

Grade 9 students will receive detailed information about *Take Your Kids to Work Day* through the Gleneagle app (via the Career Education 9 channel), the school website, and will also be given a paper copy of related information. Directions on how to complete assignments, assignment due dates and event details will be communicated through the methods previously mentioned, and through specific *Customized Learning* sessions.

Each grade nine student is assigned to a teacher listed below who they can contact with any questions or concerns regarding this course.

Mr. Bingley (A-H)	jbingley@sd43.bc.ca
Mrs. Demonte (I-P)	bdemonte@sd43.bc.ca
Mrs. Wilson (Q-Z)	micwilson@sd43.bc.ca

Sincerely,

Mr. Bingley, Mrs. Demonte, Mrs. Wilson

Gleneagle Secondary
