

MyED BC Parent Portal

MyEducation BC Parent Portal will be activated on June 8, 2020 for Gleneagle parents. This portal provides parents with a new way to access your child's school information directly online. With this portal account you will be able to view attendance, term grades, and other information about your child(ren). The MyEducation BC application is a secure portal used in most school districts in the province of BC.

To access the portal all parents, require an email address. If we do not have an email address for you on file, please contact the office via email @ 125-gleneaglesecretary@sd43.bc.ca
