

## Student Timetables

Student timetables will be available to view on Friday, Sept 4<sup>th</sup> by 3 p.m. **\*\*\*Please note that student schedules may change due to changes in enrolment and changes in class size and composition.**

Updated schedules will be posted on Friday, September 11 by 3 p.m.

While students will not be able to see their 2020-2021 timetable, they can still request a course change based on the courses they requested in the spring. If you do not remember the courses you requested, you will need to access the student/parent portal in MYED. Most Grade 10-12 students accessed the portal in June 2020 to view their final report card.

## Course Change Requests

Any students requiring course changes please complete the following Microsoft Form prior to midnight on Wednesday, Sept. 2:
