### **Remembrance Day**

Inspired by the poem "In Flanders Fields", and promoted by Moina Michael and the "Originator of the Poppy Day" Madame Guerin. The poppy has remained a symbol of war and Remembrance Day ever since. The poppy was portrayed as the first flower to grow out of the soldiers' graves. It has become a tradition to wear a poppy in front of the left lapel, as close to the heart as possible.

We ask everyone to please wear their poppies during the Remembrance Day Assembly, to respect and honour those who sacrificed for the peace today. Please donate to your poppy fund to your block 2 teacher. We will be collecting the fund today in block 2, before the start of the assembly.
