SFU SPRING BREAK DAY CAMPS THE "SCHOOL OF WONDERSTANDING" 2016

The Professional Development Program at Simon Fraser University is excited to offer four days of hands-on, action-packed activities this **Spring Break** from **Monday, March 21st through Thursday, March 24th, 2016** for students from grades K-5. The four days of activities will run from **9:00 a.m. – 2:45 p.m.** each day.

This unique opportunity is part of a wonderful community partnership between Simon Fraser University and School District 43. During the four days of our "School of Wonderstanding," students will participate in a number of different activities such as cooking, crafts, indoor/outdoor games, dance, sports, science experiments, drama and of course, **FUN**. All sessions are fully supervised by Student Teachers in the Professional Development Program, as part of their teacher training. And they will be working under the supervision of certified teachers. Each session is designed to excite and delight participants with hands-on, creative learning opportunities to strengthen the connection of "wonder" and "understanding" of the world around us.

The Maillard School of Wonderstanding camp will be facilitated by the Aboriginal stream of Simon Fraser University student teachers. This camp will incorporate traditional aboriginal cultural teachings as part of the program curriculum of this camp.

The cost for all 4 days of activities is **\$60 per student**, which includes supplies and materials. Participants will need to bring snacks, a bag lunch, a water bottle (with their name on it), dress comfortably and come ready to have **FUN**.
