

June 4, 2020

Dear Heritage Mountain Elementary parents,

School District #43, Coquitlam recognizes that, during these uncertain times, many of our families are facing unexpected stressors and demands. Most of our traditional timelines and procedures have required adjusting and review as we approach the end of the school year and look toward our next.

Regarding the purchase and provision of school supplies for the 2020-2021 school year, we offer the following information:

- Supply lists will be available on all elementary and middle school websites on or before June 12th
- Schools will work with school supply companies to extend and manage order deadlines
- Students are encouraged to save and reuse last year's supplies
- Schools will provide information about the basic supplies required and indicate what is optional or can be acquired by a later date
- Kindergarten supply information will be communicated by teachers in September.

At Our School:
