CAREER CENTER

2020 UBC Engineering Physics high school info session and tour!

UBC's [Engineering Physics](#) program is one of the top engineering programs in Canada. With a formidable combination of scientific training, engineering experience, and practical hands-on skills, our graduates play leading roles in the most interesting and exciting industries and fields of scientific research in Canada and around the world:

- Artificial intelligence and machine learning
- Biotechnology, genetic engineering, medical devices
- Clean energy, electric vehicles
- UAVs, drones, aerospace
- Quantum computing

QUESTIONS:

Please see Ms. Butler in the Career Center.

Engineering Physics is a very challenging program and should appeal to students with a strong interest and ability in mathematics and science.

Please join us on **Sunday January 19th** for tours of UBC labs, a talk by the Program Director, and a chance to meet our students and see some of their projects. The day is divided into an AM section and a PM section, with the Director's talk in the middle. There is no need to attend the entire day.

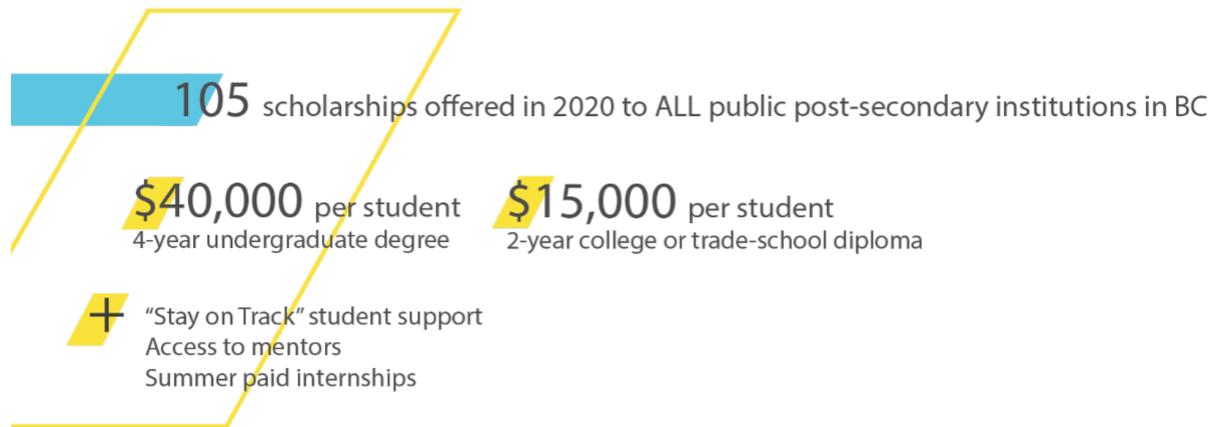

- Register at the link below. In order to reach as many students as possible, we ask that each student bring no more than two family members with them to the event.

When:

- Doors: 10:30 am **Sunday, January 19th, 2020** **Where: Irving K. Barber Learning Center room 182**
- AM tours start: 11:00 am PM tours start: 2:15 pm – End 4:00 pm **Where:(Victoria Theatre)**
- Lunch: 12:00 pm (we provide pizza, alternatives available nearby) **Where:1961 East Mall, Vancouver**
- Program Director's presentation (1 hour): 1:00 pm

Beedie Luminaries Class of 2020 Scholarship Applications Are Now Open!

Bright minds are more than grades, and our scholarship is more than money. We give students what they need for a brighter future.

We look for the diamond in the rough.

We look beyond the grades.

We look for potential because we believe investing in our youth has the potential to transform families and communities.

Do you know of a student or students who fit this criteria? Please let them know about Beedie Luminaries and encourage them to [APPLY](#) today!

The 2019/2020 Applications are open until January 20, 2020, 9:00 am PST.

Archimedes Talks

- Archimedes Talks is a speaker series aimed at talented high school students in Vancouver interested in mathematics and engineering. Our goal is to provide promising students with opportunities to explore different aspects of math and applied science in an engaging environment.
- Once a month during the semester, students come to the University of British Columbia's main Vancouver campus. Every session includes two expert speakers, a tour of an interesting location on campus, and lunch.
- Students are nominated to participate by their teachers. Interested students and teachers should visit the "apply" section for more information.
- [Archimedes](#) lived in ancient Greece. He made many important discoveries in mathematics and physics and was also a gifted inventor and engineer.

- **Schedule**

- Registration will start at 10:10 am. All talks are in the Irving K Barber Learning Centre, UBC Point Grey campus.
- Bring something to write with and on.

Could you be our 2020 award winner?

Other people talk about making the world better. You actually did something.

Presented annually, the *Weston Youth Innovation Award* was created to encourage and recognize young Canadian innovators. It provides students aged 14 to 18 a unique way to share their ideas and get the word out to a much larger audience! Interested? Why not tell us about your accomplishments? You could be the next Weston Youth Innovation Award winner.

Who is eligible?

- We look for individuals or groups who:
- are between the ages of 14 and 18,
- have used science and/or technology as the basis for developing creative and innovative ideas aimed at solving real-world problems,
- put their ideas into action and as a result, have had a positive impact either in their own community or on a broader scale.

For more information on how to apply visit: <https://www.ontariosciencecentre.ca/innovationaward/#howtoapply>

- \$15,000 first-place prize
- \$8,500 second-place prize
- \$3,500 each for up to three additional finalists
- Your project featured in an Ontario Science Centre exhibit

Application deadline: February 07, 2020
