Are you a grade 11 or 12 student who is curious about a career in policing? Want to learn from the best about investigative methods and advanced driving techniques? Then consider applying for the New Westminster Police Department Student Police Academy. **Application deadline is April 10th, 2020 and the fee to apply is \$50.**

The Academy runs from June 29 – July 10, 2020. Applications can be dropped off in person at the New Westminster Police Department front desk or digitally sent to Constable Callaghan tcallaghan@nwpolice.org

- This two week program gives you a behind the scenes look at all aspects of being a police officer. From physical conditioning and self-defense tactics, to scenario-based simulations and firearm safety, you'll receive from police the most up to date tactical training.
- You will learn about the many different aspects of policing from exciting guest speakers. Meet members of the K9 Unit, see the police helicopter – Air 1 up close, and get out on the water with the NWPD Marine Unit.
- This is your opportunity to see what it takes to be a police officer.

Changing the World: Engineering the Future

Saturday, March 28, 2020

Grades 10-12

Explore why engineering is an amazing career for women who want to change the world, help improve the lives of others and the environment around us, and who like teamwork and problem-solving. Solve real engineering challenges, learn about different types of engineering, talk to current students, hear from recent alumni and tour the campus.

Engineering Explorations 11:

ECE & the Future of Tech

Saturday, February 1, 2020

Grade 11

As technology continues to expand its presence in our daily lives, engineering allows us to leverage new technologies for more applications.

Engineering Explorations 10:

Sustainability for Our Future

Saturday, February 22, 2020

Grade 10

Using the engineering design cycle and a focus on environmental engineering, you'll ideate new solutions to an engineering problem that many countries face today.

Engineering Explorations 8:

The Variety of Engineering

Saturday, March 14, 2020

Grade 8

Debunk your perceptions of engineering and experience what engineers do everyday!

Technovation Girls

February 7, March 6, or April 17

Ages 10-18

Build an app to solve a problem you identify within your community. Offered through UBC Geering Up.

Girl Powered Design Club

Saturdays starting January 25

Grades 8-10

It includes activities from all streams of STEM (Science, Technology, Engineering, and Math) in the form of hands-on activities, engineering design projects, and student competitions.

OPERATION MED SCHOOL IS OPENED FOR REGISTRATION

<https://operationmedschool.com/>

March 8th 8:30 – 5:30 at Robert H. Lee Alumni Centre, University of British Columbia

- Operation Med School (OMS) is a non-profit, student-run organization that hosts one-day conferences in Canada and the USA to educate youth about the journey of a medical career. Our goal is to inspire, inform and encourage students to follow their medical dreams and head bravely into their future endeavors.

OMS was started by a group of high school students in Vancouver, BC in 2012. Each conference gives students a new approach to medical careers through activities and lectures by medical experts. It is the perfect chance for high school students to explore the medical field, meet peers who share the same passion, and speak with knowledgeable medical professionals.

OMS has been creating an opportunity for youth to gain valuable leadership and event management skills since it began in 2012 as a conference *for* high school students *from* high school students. As the organization has grown, each city conference continues to be organized by a team of local high school students.

APPLICATION DEADLINE: MAY 1, 2020. PLEASE RETURN YOUR APPLICATION
