

Revised Schedule: April 12th – April 23rd

Background:

When we switched to the Quarter system due to the pandemic, the District directed us to move our school-based Pro-D day that is typically scheduled in the Fall to April in order to balance the number of instructional days in each Quarter.

*In doing so we created a situation which resulted in Pro-D Days on back-to-back Fridays in April (April 16th and 23rd).

**In order to maximize instructional time for those 2 weeks we will be using the following schedule which includes the 2 Wednesday as 'regular' days:
