CAREER CENTER

YMCA Summer Work Student Exchange (SWSE) is a government-funded, national program offers opportunities for youth (aged 16 and 17) to improve their second official language skills, explore another part of Canada, and gain valuable work experience through a 4-week exchange to Québec during the summer.

- When taking part in the SWSE program, students live with a host family in Québec and are paid the provincial minimum wage to work full-time at a non-profit organization or public sector job such as a summer camp, childcare centre, community museum, etc. During weekends, students participate in a variety of group activities that allow them to get to know the culture, arts, history, and recreation opportunities of their new community. SWSE is funded by the Department of Canadian Heritage and is offered at minimal cost (\$125) to participants; this includes transportation to and from Québec, as well as all program activities. This is an excellent and low-cost opportunity for youth to enhance their French skills through immersion. Further information can be found on our website: <https://swse.ymcagta.org/>
- To ensure a safe exchange for youth and host families, the SWSE team has been continually updating program protocols to adhere to local and national health authority recommendations and guidelines related to COVID-19. Keeping in mind case numbers, vaccination rollouts, and broader risks, we will continue to modify the program as necessary to provide a safe, fun, and impactful experience for all.
