English Learning Buddy Program Student Volunteers

Our mission: Girls educating girls

Are you interested in volunteering to tutor girls from low-income families in India to improve their spoken English abilities?

How it Works:

Canadian students are signed up to be an English Learning Buddy. Buddies and Indian students connect weekly over Zoom for 10 weeks. Buddies provide constructive feedback on pronunciation while students read from an English children's book.

Meeting Schedule:

Every Saturday at 9:00 pm PST, starting June 26th 2021.

An enriching experience.

The English Learning Buddy Program enables Buddies to make a meaningful impact on girls' lives by enabling them to strengthen their spoken English skills (while making a new friend along the way)!

English Learning Buddy Program

Student Testimonials

The OneProsper English Learning Buddy program allowed me to connect with two girls who attend the Lotus Petal Foundation school in India. I enjoyed how much I was able to interact with them in general and help them with their English pronunciation and reading comprehension. I also liked how I was able to learn about their lives and their interests. I could tell that they were very engaged every week, and seeing that truly made this program a great experience for me.

- Pallavi Bomareddy, Junior, BASIS Independent Silicon Valley

Tutoring students at the Lotus Petal Foundation was an incredible experience. The student I was assigned to was very respectful, eager to learn, and fun to work with. Not only did I enjoy teaching her, but I also learned a lot from her. The fact that we came from drastically different backgrounds made it an extremely unique experience and broadened my perspective of the world. My time with her was tremendously gratifying, and I am grateful to OneProsper for the rare opportunity.

- Andria Xu, Sophomore, Homestead High School

My experience being part of the English Learning Buddy Program has been very rewarding, as I have been able to help young girls in India to improve their English skills. When I first joined this program I did not realize how much I would enjoy meeting with my buddies. With video meetings scheduled each week, I have had the opportunity to truly get to know my buddies, despite the fact that they are in a different country. It has been so incredible to see them progress and to watch them gain confidence in their abilities as they do so; the illuminating feeling that I get when my buddies can read an entire passage without making a mistake is indescribable. I would absolutely recommend this program to others because of the amazing sense of accomplishment I feel after each meeting with my buddies, knowing that I have made a small difference in their lives. - Anoushka Dadlani, Sophomore, Convent High School

YMCA Summer Work Student Exchange (SWSE) is a government-funded, national program offers opportunities for youth (aged 16 and 17) to improve their second official language skills, explore another part of Canada, and gain valuable work experience through a 4-week exchange to Québec during the summer.

- When taking part in the SWSE program, students live with a host family in Québec and are paid the provincial minimum wage to work full-time at a non-profit organization or public sector job such as a summer camp, childcare centre, community museum, etc. During weekends, students participate in a variety of group activities that allow them to get to know the culture, arts, history, and recreation opportunities of their new community. SWSE is funded by the Department of Canadian Heritage and is offered at minimal cost (\$125) to participants; this includes transportation to and from Québec, as well as all program activities. This is an excellent and low-cost opportunity for youth to enhance their French skills through immersion. Further information can be found on our website: <https://swse.ymcagta.org/>
- To ensure a safe exchange for youth and host families, the SWSE team has been continually updating program protocols to adhere to local and national health authority recommendations and guidelines related to COVID-19. Keeping in mind case numbers, vaccination rollouts, and broader risks, we will continue to modify the program as necessary to provide a safe, fun, and impactful experience for all.

Today, MP Shin, the Member of Parliament for Port Moody-Coquitlam, Anmore & Belcarra, on behalf of the Minister of Employment, Workforce Development and Disability Inclusion, Carla Qualtrough, announced that tens of thousands of Canada Summer Jobs opportunities are now available at jobbank.gc.ca/youth.

This means that more than 400 job opportunities are available for youth in Port Moody-Coquitlam, Anmore & Belcarra. Good quality jobs like martial arts instructor, or landscape labourer, or camp counsellor, or video game designer, and more are available for youth in the riding.

In response to the ongoing pandemic, the Government is giving employers the flexibilities to hire youth to work on a full-time or part-time basis, as well as beyond the summer months, with some placements extending to February 2022.

This year's record-breaking number of job opportunities will help young Canadians discover different careers, gain meaningful experiences, and save up for school.

Quotes

"This year's Canada Summer Jobs program goes above and beyond to help support young Canadians through this pandemic. With a record-setting 150,000 job opportunities, more young Canadians across the country will be able to find a job and gain meaningful experience that they'll carry with them for the rest of their lives. There is only one way to describe the investments we have made and continue to make in young Canadians, and that is: ground-breaking. Our plan for a strong economic recovery includes youth and recognizes their important role in our future. We will always be there to support the next generation."

– - Minister of Employment, Workforce Development and Disability Inclusion, Carla Qualtrough

"This past year, young people all over Canada have been navigating a very challenging path due to the COVID-19 crisis, including youth in BC. Right now, many young people in BC are looking for safe and secure job opportunities. With this record-setting number of job opportunities, the Canada Summer Jobs program will be there to help youth earn money, grow professionally and move forward in their lives. I strongly encourage young people in BC who are looking for work to go to Job Bank and check out the Canada Summer Jobs opportunities available for them in our community."

– Nelly Shin, Member of Parliament for Port Moody-Coquitlam, Anmore & Belcarra
