UBC BLACK FUTURES PROGRAM

Any students who identify themselves as Black, have the opportunity to apply for the “UBC Black Futures Program” There will be 2 zoom meetings after school and 5 UBC campus visits from now until May. If you are interested, please come to a meeting in the library computer lab on Monday Nov 1st.

- The program will consist of two Zoom meetings held at 4:30 PM, first one during the month of October 2021 and the second one in January 2022. Students will also participate in all-day campus visits on five select Thursdays throughout the academic year. We will work with your school board and community partners for transportation and to ensure that the students are covered through UBC insurance. We hope that participation in this program will be considered as part of their career preparation or volunteer community service (CLC) and therefore count toward their high school graduation requirements.
