- Oct. 19: SFU Beedie School of Business at lunch in library computer lab
- Oct. 20: Western at lunch in library computer lab
- Oct. 26: U of Toronto 6pm in the library

Junior Firefighter Programs

Coquitlam Fire Rescue: March 10 - 17, 2023 (first week of Spring Break)

Port Moody Fire Rescue: April 20 - 23, 2023 (plus a few days before/after)

The Coquitlam School District is very excited to partner with both Coquitlam Fire Rescue and Port Moody Fire Rescue to offer two different firefighter academies this year!

It is open to SD43 high school students currently in grades 11 and 12.

The Junior Firefighting Programs will give the applicants a true understanding of the basic components both physical and educational of Fire Rescue's basic training for new recruits. The educational component will test the applicant's knowledge learned in the classroom of firefighting equipment, fire behaviour, the fire tetrahedron and the products of combustion, to name a few. The practical component of the program will test the applicant's strength, endurance and teamwork skills. Some examples may include: dragging charged hose lines, carrying ladders in a group, climbing the four-story hose tower and cutting up cars in teams using the "Jaws of Life".

The **Coquitlam** academy will be accepting 12 students and will run for 8 days (9.00am to 5.00pm) at the firehall located at 1300 Pinetree Way, Coquitlam.

The **Port Moody** academy will be accepting 4 students and will run for 4 days (8.00am to 6.00pm) at the firehall located at 150 Newport Drive, Port Moody. There will be a few more days before/after attached to this academy, those will be updated later.

There are three phases to being accepted: "**completed (fillable .pdf) paper application**", "**fitness test**" and "**personal interview**". A student must successfully complete all three components if they are to be considered for one of the 16 spots. It is a wonderful opportunity and experience!

Students are only able to participate in one of two offerings.

The application form for Spring 2023's academies will be available on November 1, 2022.
